

It's William Blake's Birthday : Can You Text with your Toes ?

This Friday, 28 November is William Blake's birthday and we're organising a surprise present.

To say Happy Birthday to Mr Blake, please ask everyone you know to donate £1 by texting FEET111 to 70070 from a mobile phone (or you can make a more generous donation by selecting any number between 1 and 9 for the last digit, eg FEET117 donates £7 pounds).

The funds will be used to buy Blake's Cottage on the Sussex coast where he wrote the words for our national anthem Jerusalem : And Did Those Feet ...

Blake's Cottage will become a home for artists, authors, thinkers, and anyone who shares with Blake a belief that Imagination is Britain's gift and duty to the world.

Blake is our genius whose influence on the arts, poetry and creativity reverberates around the globe today. Yet 257 years after his birth, he still does not have a home in this 'green and pleasant land'.

We will change that, creating a home for Blake, for visitors young & old, for everyone in the world who believes in the primacy of the Imagination - The Only Nation Is The Imagination!

So what better way to celebrate Blake's birthday than to push ajar the door to his Cottage? We have already raised £92,000, so kick open the door a little more with your FEET111 The phone operators generously give on the whole amount of your gift to our registered charity without deduction.

So on Blake's birthday help us open a Visionary Home where we can look forward to the pitter patter of feet and the fire of chariots for generations to come.
